Gorgeous views of Hood Mountain and the Sugarloaf Ridge! Gourmet kitchen has granite slab counter tops, a 6-burner Viking gas cooktop, double Viking ovens, built-in refrigerator, dishwasher, and trash compactor, wine cooler, and under cabinet lighting. Maple hardwood hand scraped flooring throughout the living room, family room, dining room, and kitchen. The large master suite leads out to the private deck to take in all the views. Both bathrooms have been extensively remodeled. Front and back yards are landscaped with drought-tolerant perennials and a drip system. Owner-maintained lot is fully fenced and has fig, pear, plum, and apple trees. Oakmont is an active-adult 55+ community with golf, swimming, tennis, hiking, and more, all in the heart of Sonoma County's wine country.
